Fariba Zarinebaf maps the history of crime and punishment in Istanbul over more than one hundred years, considering transgressions such as riots, prostitution, theft, and murder and at the same time tracing how the state controlled and punished its unruly population. Taking us through the city's streets, workshops, and houses, she gives voice to ordinary people—the man accused of stealing, the woman accused of prostitution, and the vagabond expelled from the city. She finds that Istanbul ...

Crime and Punishment in Istanbul: 1700–1800 by Fariba Zarinebaf (review) Hanley, Will Book Reviews expect a discussion of how Spain's Muslim and Jewish past may have affected Spaniards' encounter with non-Christians in the New World, though the aftermath of convivencia is never actually broached. Ultimately, Johnson's book admirably spans the boundaries that divide different fields of historical study in order to better understand multivalent, rather than binary, experiences of cultural ...

Indeed, there is no other history these days. This is the case for Ottoman history as well. This appears to be the trend for early modern history, which has received the bulk of the attention of the revisionists ever since we have re-oriented the "classical age" to the early modern age. The scholarship ...
