The origins of the Cold War involved the breakdown of relations between the Soviet Union and its satellites and the United States and its allies in the years 1945–1949.. The origins derive from diplomatic (and occasional military) confrontations stretching back decades, followed by the issue of political boundaries in Central Europe and non-democratic control of the East by the Soviet Army.

Cold War Battle Lines are Drawn. Historians widely acknowledge that the actual catalyst for the Cold War occurred not on March 5, 1946, but rather on September 5, 1945. It was at this moment that a 26-year-old cipher clerk left the Soviet Embassy in Ottawa with a list of code names for supposed spies planted within the British, Canadian and ...

He suggested that U.S. foreign policy should be guided by a fusion of idealism and realism. But the president spent much of his speech on what he really thought was important: making his kind of realism the basis for American foreign policy in general and Cold War policy in particular. Because there were limits to what America could achieve and because U.S. actions might produce a slowdown or ...

Cold Mountain is quite possibly the most beautiful book that I've ever read. It's not for the faint of heart, however, as it's time consuming and requires a great deal of patience as Frazier takes his time with his descriptions of the landscape and the people as Inman, a soldier broken in spirit by the futility and waste of the Civil War, decides to walk home to Ada and his beloved Cold Mountain.

Origin: This phrase has sinister origins, first appearing during the American Civil War (1861-1865). A line was drawn 20 feet from the inside wall of the stockade where Federal prisoners of war were kept. This line set the boundaries for the prisoners and was known as a deadline because any prisoner who attempted to cross it was shot.

In my own life I have found it eternally and unmeasurably useful to employ plain, cold truth in simple statements of fact and judgement. For example, it can often be enough for the target of bullying – at any age – to demand the bullying to cease with a simple claim about its ethical failing, i.e., "You're being abusive. That is wrong ...

World War II World War II began in Europe with Germany's invasion of Poland in 1939. In 1940, Japan formed an alliance with Germany and Italy as an Axis Power. Japan's policy of expansion in Asia led to increasing tension with the United States. When Japanese troops moved into French Indochina (now Vietnam, Laos, and Cambodia) in 1940-41, the ...
