[Jung And Moreno Essays On The Theatre Of Human Nature](#)

Jung and Moreno: Essays on the theatre of human nature shows how Jung and Moreno can be creatively combined to understand better and facilitate therapeutic work. Craig E. Stephenson and contributors write about how and why they put together Jung and Moreno. They describe and discuss psychodrama sessions grounded in the fundamentals of Jung's analytical psychology, as well as dream and fairy tale enactments and individual psychoanalytical sessions in which they employ psychodramatic ...

Human nature refers to a set of inherent characteristics which all humans share. (Wikipedia: Human Nature). Efforts to identify and understand these characteristics date back to ancient times. The issue of whether human nature is biologically hard-wired or whether it is formed by socialization and education is highly debatable. In any case, there are many good reasons for trying to formulate ...

In the remainder of this essay, then, I propose to consider three prominent worldviews and the competing views of human nature that they embody and entail. Why three? Here I wish to take a cue from philosopher Alvin Plantinga by suggesting that in the West today there are "three main competitors vying for spiritual supremacy: three fundamental perspectives or ways of thinking about what the ...
