Begin with "A" in the first block. If the child is struggling to write the letter on his own, write it for him in the first space on the top row of the graph paper. Ask him to trace the letter. Next, have him write the same letter in the row directly underneath the first one. Repeat this step until he feels comfortable writing the letter. Move down a row, and ask him to start over, trying the "A" again. After he masters the letter, he can move on to "B." Continue on throughout the rest of ...
