Once Upon a Marigold is a fairy tale in the classic sense, with a princess, an evil queen, and a troll. But it has a decidedly modern feel to it. The best and most modern thing about the book is the heroine, Marigold. Jean Ferris has created a princess who isn't frightened or helpless and who isn't waiting for a big strong man to carry her off ...

"Once Upon A Marigold" was a beautifully written book. I love that Christian was brave enough to profess his love to Marigold instead of laying back and letting her go. This was a break from the ordinary fairy tale where the damsel is in such distress and the hero is always a knight in shining armor. I liked all the twists and secrets Ferris threw in to liven up the story. Christian and ...

Jean Ferris? Once Upon a Marigold is a fairytale / love story where everyone except Marigold's mother, Queen Olympia, has a happy ending. In this story a seventeen-year-old boy named Christian who lives in a cave with his foster father, Ed, falls in love with the princess, Marigold. Christian gets a job in the castle, and while working overhears Queen Olympia talking to FenLeigh, her pet ...
