## PACWEST PULP PAPER CONFERENCE

Oct 31, 2020

[Pacwest Pulp Paper Conference](#)

The PACWEST Technical Conference symbolizes the interdependence of those who develop technology in the pulp and paper industry and the many suppliers of related materials and equipment. In the mid 60's, a technical development formula evolved as the basis for planning, conducting and evaluating these Conferences. Three groups, the C.P.P.A. (now known as PAPTAC), the Pacific Coast Branch, the Western Branch and Waiting Room #6 of the International Brotherhood of Migratory Peddlers (IBMP ...

PacWest is hosted each year by the Pacific Coast and Western branches of the Pulp and Paper Technical Association of Canada (PAPTAC). PacWest's opening forum touched on the subject of carbon markets and bioenergy. Experts from various fields made it clear that global policy decisions are creating opportunities for forest products companies in these emerging markets, although much of the legislative framework is not yet set.

[Awards - PACWEST CONFERENCE 2020](#)

It is with deep sorrow that the pulp and paper community heard of the passing of Kent Milligan on April 3, 2002. As a PAPTAC member since 1989, Kent was well-known for his involvement and contributions to the PACWEST Conference in western Canada. At the same time, the success enjoyed by ChemTex allowed Kent's father, John Milligan, to retire in 2000, with Kent becoming President.
