Find a lyric to an unfamiliar song by this singer and band.) 3. Write a melody with chords to this lyric. 4. Discard the lyric, but keep your music. 5. Write a new lyric to your melody (or get a friend to write the lyric if you only do music.) If you do all these steps, you'll have an original song! Since you've used the other lyric as a "template," your song will automatically have a shape ...

[Songwriting Lyrics Template - krauspoo.com](#)

In Songwriting, almost any technique can be turned into something that works for a large audience. Learn a harmony instrument (guitar or piano) so you can accompany yourself in time (see next page for guitar chords) Sing your melodies, sing your bass lines, beatbox your drums. Don't hum, don't whistle, don't use your instrument to write. Beginners Only: Try out as many alternatives as ...

The songwriting process takes time! Lyric writing may go through stages. Don't worry if what you're putting down on paper doesn't look like a song at first. You'll be able to shape it later. Keep everything. If you write a single sentence of a song down, it always leads to something else sooner. It's okay if your songs aren't very good at first. You can always revise them to write better ...

Great lyrics tell a story or create a mood, sucking the listener in with every successive word. But writing great lyrics can be easier said than done. If you don't try to contain your thoughts to a particular theme, you run the risk of going off on tangents and losing the focus on the song. Losing focus means you might lose the attention of the listener... And you never want to do that! Tell ...

[Music Lyrics PowerPoint Template](#)

"There's no right or wrong way," one publisher said, adding, "but, I really appreciate reading well-organized lyric sheets. It shows me the songwriter cares" "Lyric sheets aren't really necessary because, obviously, the listener won't have one. However, I like to see them any way, and most of my colleagues feel the same way, especially when getting to know a new songwriter and (his/her) songs ...
