Capturing Elusive Animals With Camera Trap Wildlife ...

Wildlife photography is about capturing animals in their most candid moments, and those moments usually exist during very early and late hours of the day. Dawn and dusk are also known as the golden hours in photography, the time when the sun is at it's warmest in hue, casting rich colors across the landscape and often providing a dramatic backdrop for your subject.

Hunting with a camera: 12 tips to take your wildlife ...

Photographing animals, whether your cat at home or a cougar in the great outdoors, requires patience, perseverance and an understanding of animal behaviour so you can predict how they will be likely to act or react, and anticipate the moment for a good photograph. If you consider an animal's character in the same way you do when photographing ...

Wildlife Photography: Proven Techniques for Capturing ...

Wildlife photography is no different, requiring photographers to have a very intimate understanding of the animal they've set out to photograph. Many of the most popular animals that photographers love to photograph like lions, wolves, buffalo, alligators, and elephants can also be very dangerous, so being educated in how that animal behaves is critical not only for getting a great photo ...

Wildlife Photography Tips & Techniques | Outdoor Photographer

Wildlife photography is a genre of photography concerned with documenting various forms of wildlife in their natural habitat.. As well as requiring photography skills, wildlife photographers may need field craft skills.For example, some animals are difficult to approach and thus a knowledge of the animal's behavior is needed in order to be able to predict its actions.

FREE Quick Guide to Wildlife Photography

About Wildlife Photo. WildlifePhoto.com is the online home of my resources, services and products for nature photographers. I have decided to set up this new website so that my existing photography site, Burrard-Lucas.com, can go back to focusing on my photography projects and image library.
